PRODUCT MANAGER | TECHNICAL DELIVERY & USER EXPERIENCE

EXPERIENCE

The Church of Jesus Christ of Latter-day Saints Apr 2026 - Present

IT Product Management Intern | Riverton, UT (Hybrid) | Full-time

- **Delivered reporting used by technology managers worldwide** by rebuilding the data pipeline in three weeks versus an initial three-month estimate; contributed to the Power BI dashboard.
- **Recommended historical reporting and prioritized initial scope** to support analysis of changes over time; translated automation and continuity requirements into weekly, account-independent workflows.
- **Refined reporting through user feedback and testing** with area managers and the team; compared records with legacy data, addressed missing coverage, and documented the pipeline for handoff.
- **Standardized support content for migration** by helping define article structure and human-review needs; organized metadata, identified retirement and update needs, and handed off JSON files to the migration team.

Brigham Young University - Record Linking Lab May 2024 - May 2025

Research Assistant & Web Developer | Provo, UT | Part-time

- **Built and deployed a donor platform** in React/.NET supporting African student researchers; partnered with faculty and changed the donor experience based on user feedback.
- **Helped select and build learning-platform features**, including administrative course-upload tools and learner progress badges; both lab platforms remain in use after departure.

Missionary Training Center May 2024 - Apr 2026

Spanish Area Supervisor | Provo, UT | Part-time

- **Led scheduling, coaching, and training for 15 teachers** using monday.com and Oracle; delivered weekly training and biweekly observations to improve instructional consistency.

GoodAd Marketing Jan 2022 - Mar 2024

Founder | Provo, UT

- **Owned client onboarding, pricing, and website delivery** for a digital marketing business; managed advertising campaigns and performance optimization.

EDUCATION

Brigham Young University | Marriott School of Business

Bachelor of Information Systems Management | Expected Dec 2026 | GPA: 3.5

BYU IS INTEX Competition - 1st Place: Designed and deployed a full-stack website using SQL, entity-relationship modeling, HTML/CSS, and AWS EC2 (2024).
